BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach’s systems and functions. You are also introduced to the Dealer’s Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally serve their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership’s full attention and motivation to satisfy you when you need service – in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON’T UNDERESTIMATE CUSTOMER SERVICE & PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from – why not stay close to home? After all, home is where your Heartland is!
