CHECK CLEARANCES PRIOR TO PULLING OUT!

This checklist may seem like it contains basic items, but many are taken for granted and can spoil a trip if not attended to prior to moving the trailer.

You may want to use this list as a start for your own Pre-Trip checklist, which may include your personal camping gear and food preferences.

ITEMS TO CARRY:

- Local, state and national maps. Truck atlases can be useful for showing maps, refueling stations and truck repair facilities.
- An emergency road kit and flashlight.
- An assortment of spare fuses.
- An assortment of hand tools.
- 12 Volt DC test light may be helpful when speaking with a technician.
- A battery hydrometer to check the condition of battery electrolyte.
- Polarity tester to check 120 AC outlets.
- Potable/non-potable water hoses and a water pressure regulator.
