ENORMOUS LOFT

There is just more room in a ROAD WARRIOR. The kids can have their own space in this versatile loft, extra sleeping accommodations for guests or storage for bulky items. Easy access is provided by a built-in loft ladder.

BATHROOM AMENITIES

Choose ROAD WARRIOR for its roomy, spacious side-aisle bathroom designs featuring large porcelain sinks set in large countertops with base cabinets full of storage space. Above the sinks are beautiful mirrored medicine cabinets. Each bathroom also includes a fiberglass shower with glass door enclosure.

ROADWARRIOR'S ULTIMATE TAILGATE...

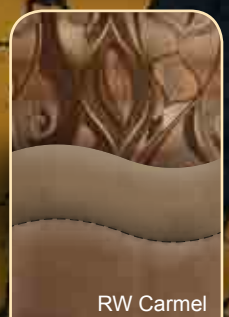

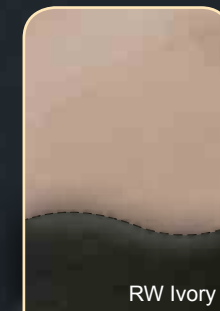

With our new residential garage, why close off the garage? Our sliding glass patio door option allows you to sit back and admire your toys from the comfort of the living area or enjoy the garage living space without being boxed in a sterile garage environment. Transform the ramp gate into a patio with railing and an awning. The Three Seasons wall option encloses the garage providing a comfortable hangout on early spring and late fall days.

ROADWARRIOR'S Great Looks...

Choose from four elegant decors featuring durable fabrics on the furnishings and window coverings.

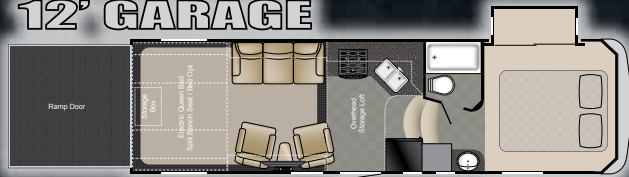

AS EASY AS 1, 2, 3

At the push of a button, your garage can transform from a standard garage(1) into an open air dining room(2), complete with an optional patio for the true al fresco experience. (3) At the end of a hard day at play, the garage can be turned into a bunk house to provide auxiliary sleeping quarters for an additional 4 people.

Heartland Recreational Vehicles
1001 All-Pro Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.
