EZ-PATIO

A black hard-shell case is open, revealing its interior. On the left side, there is a green and white cooler. To its right are two blue plastic storage bins. Below these items, a green tarp is rolled up and secured with straps. The case appears to be a storage container for outdoor or emergency equipment.

Heartland 5th wheel construction has been subjected to rigid testing in the famous DOMETIC Extreme temperature testing chamber. The testing chamber temperature is set to 0° to test the heating system, followed by setting it at 100° to test its cooling ability. With our thick 2" laminated walls, enclosed and heated underbelly and insulated floor - the interior of the Heartland coach remained warm and comfortable through out the sub-freezing testing and nice and cool during the extreme heat test!

Additional Equipment may be Required for Certain Climate Conditions

SUPERIOR CONSTRUCTION

SIDE-BY-SIDE FRIENDLY

72" WIDE

55" HD 4K LED TV in most models.

Double sink with pull-out sprayer

Light your task, set the mood or just kick back and relax. Enjoy perfect lighting throughout the TORQUE.

D-RINGS

Anchored through the floor decking to the steel frame for maximum strength.

30 GALLONS OF FUEL ON THE GO

TORQUE owners Enjoy Safely Transporting Fuel in a Fuel Cell rather than having several 5 gallon fuel cans that take up floor space and can spill if not secured properly. A convenient filling hose and valve handle like you would find at the gas station for filling your toys and the Static Line (Metallic cable and clip that connects the toy and trailer together) that reduces the risk of static electricity sparks that are known to cause explosions!

10' GARAGE

12' 6" GARAGE

Heartland Recreational Vehicles
2831 Dexter Drive • Elkhart, IN 46514 • 574-262-5992

Community. Convenience. Close-to-home.

Where you purchase your recreational vehicle is ultimately your decision but Heartland urges you to consider buying at your local dealer. Dealers are part of your community, providing jobs and contributing to your local economy. These dealers are under obligation to provide warranty service for products they sell, but are not legally required to service products purchased from other dealers. At some point, you may need to return to the dealer you buy from - why not stay close to home? After all, home is where your Heartland is!

BENEFITS OF PURCHASING YOUR RV LOCALLY:

- You enjoy valuable relationship building with Dealer Representatives, close to your home, who will explain the features and benefits of the product.
- You receive a full product orientation prior to delivery, which includes hands-on directions for many of the coach's systems and functions. You are also introduced to the Dealership's Service/Parts/Warranty personnel who are at the ready to help you with any issues you may encounter, now and in the future.
- You enjoy customer PRIORITY. Dealerships generally service their purchasing customers first - others may experience long delays and miss opportunities to use their RV. What is it worth for you to have a dealership's full attention and motivation to satisfy you when you need service - in a timely manner?
- Valuable TAX dollars and jobs stay in YOUR community which pays for your roads, schools, police and fire departments.

DON'T UNDERESTIMATE CUSTOMER SERVICE AND PERSONAL CARE!

For Canadian Residents: If you purchase an RV out-of-country, there are additional fees, taxes and inspections that must be met before bringing your product home. Your local Canadian dealers are experts in these provisions.

Your Authorized Heartland Dealer:

HEARTLAND PROUDLY PARTNERS WITH THE HIGHEST QUALITY VENDORS:

HEARTLAND CUSTOMER SERVICE WE'VE GOT YOUR BACK!

Over 40 men and women located in a dedicated facility servicing our customers every day. With a dealer network of over 400 locations across the U.S. and Canada, you're never far from an authorized Heartland dealer.

FOR ADDITIONAL INFORMATION

Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland's commitment to continuous product improvement - floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only.

Heartland has listed the approximate base weight of the trailer without the option equipment included. Option equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

Tow Vehicle Caution: Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland's limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle.
