Every bedroom is beautifully designed and comes equipped with under bed storage, washer/dryer prepped and ducted A/C in the bedroom.

For more information and to take a virtual walk-through, visit www.heartlandrvs.com
Our kitchen is a chef’s dream. Most models come standard with 30˝ microwave and 21˝ oven, solid surface counter tops, true dinette table, and a 14 ft.3 residential refrigerator.

Entertainment living space for friends and family. Most units feature 40˝ luxury fireplace, 50˝ entertainment TV with sound bar, no carpet in the slideout, and wireless charging ports.
Product information is as accurate as possible as of the date of publication of this brochure. Due to Heartland’s commitment to continuous product improvement, floorplans, materials, components, features, measurements, specifications, options, etc. are subject to change at any time without notice or obligation. In certain conditions some additional equipment may be needed. Photos may show optional equipment or props used for photography purposes only. Heartland has listed the approximate base weight of the trailer without the optional equipment included. Optional equipment will impact the weight of the trailer. Please locate the weight sticker attached to the trailer you are considering for the most accurate trailer weight.

**Tow Vehicle Caution:** Owners of Heartland recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with the motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Heartland products. Heartland disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. Heartland’s limited warranty does not cover damage to the recreational vehicle or the tow vehicle as a result of the selection of the tow vehicle. Overall length for a Fifth Wheels is defined as the body length of the trailer excluding hitch meaning bumper to cap. The overall length for a Travel Trailer is defined as the body length of the trailer including hitch, meaning bumper to hitch pin. It does not include rear ladder of spare tire. Optional pin boxes will affect overall length.
