All Gravity RVs are proudly crafted with Azdel composite sidewalls. Half the weight of wood, environmentally friendly panels lighten your load while increasing your trailer's durability and insulation value. Azdel also resists water, sound and temperature changes, keeping your living spaces comfortable and quiet.

Gravity garages are available in various lengths from 11' -14' and will include frame-welded tie down system, each one supporting up to 5,000lbs.

Master suites featuring a beautifully designed headboard with king size bed with overhead storage and bedside wireless charging station.

Our Gravity floor plans have an entertainer's living room and kitchen featuring solid surface countertops, large sinks, hardwood cabinetry, luxury fireplaces (most models) and a JBL sound system with subwoofer.

Comfortable and residential style furniture with USB charging stations allowing for plenty of seating.
