

# SÖL 190

## Included in package:

- 190-watt monocrystalline solar panel with mounting brackets and roof docking port
- 30 amp solar charge controller
- Up to 8 outlets prepped for solar energy (only 12V without inverter)
- Pre-wired inverter fuse kit to connect inverter

SÖL 190 does not include a battery, inverter, or transfer switch.

SÖL 190 can upgrade to SÖL 380 by adding an additional 190 watt solar panel and an inverter with transfer switch. Please contact Heartland Parts Department to purchase additional parts.
