MORryde is excited to attend your rally as we get to share information on products that can help you enjoy your RV and the RV lifestyle even more. To support your rally, we are offering both product and installation specials for you. Here's a rundown of specials available to you at the rally:

etrailer.com Discount Card - MORryde and etrailer are working together to offer a 10% discount on any MORryde item purchased from *etrailer.com*. etrailer is known for great product information, competitive prices, and a variety of shipping options. This 10% discount is off their advertised price, making it an attractive option on many products.

Product Specials - MORryde has brought inventory of many of our products and is offering them at special rally pricing. Attached is a price sheet for these items. Stop by our table to get more information on how each product works and to make your purchase. This is a great way to pick up those cash-and-carry products you plan on installing in the future

On-Site Installation - MORryde is also offering an installation service on many of our products. For these items, we will come to your trailer and install them at **no additional charge** to you. This is the best and most cost-effective way to get a MORryde product installed on your trailer. Products that MORryde will install on-site include:

- MORryde StepAbove*- (to insure we have your size, it is best to pre-order)
- StepAbove Handrail
- StepAbove Storage Box
- StepAbove Latch Extender
- StepAbove Extend-a-Rail
- MORryde Pin Box*- (due to limited inventory, it is best to pre-order)
- X-Brace Stabilizers
- MORryde Cargo Trays- (pre-order required so we can bring the correct size for your unit)
- MORryde Easy Reel

Installation is on a **first come, first serve basis**. If you know you want a MORryde product installed at the rally, please contact us at sales@morryde.com so we can get you scheduled.

MORryde will also be conducting a seminar at the rally sharing information, answering questions, providing information on new products, and throwing in a few free gifts.
